What is not insured?

The following indicatively mentioned cases of damage or loss caused by:

- Pre-existing faults or defects in the insured property/items
- Any form of contamination or environmental pollution
- War or any act of hostility

Are there any restrictions on coverage?

The Insurer's liability per accident shall be limited to the amount exceeding any applicable excess (deductible) and shall not exceed the maximum sum insured for each insured risk.

Where am I covered?

The coverage is valid at the declared address of the insured risk.

What are my obligations?

Inform without delay any change in the details, ownership or possession of the insured item, the address of the Policyholder and/or the Insured, as well as any other incident that may significantly increase the risk.

In case of damage, notify the Company in writing within 8 working days and provide all necessary information, data and documents.

How and when do I pay?

Insurance policies must always be paid before the start of insurance.

The alternative payment methods are as follows:

- Standing mandate
- Through the Company's Website (www.groupama.gr).
- At the bank where you have an account using a payment code
- Using a Credit Card.

When does coverage start and end? The duration of insurance is stated in the insurance policy subject to the advance payment of the premium.

How can I cancel the contract? Cancellation of the contract can be made at any time with your written letter and return of the insurance documents.
